

TYPES OF BINGO

A majority of U.S. population is crazy about bingo. The fun, excitement and lucrative prizes make the game even more special. In addition to paper-card bingo, the electronic version has also gained popularity in recent times. Let's check out the features of these two versions of game.

Paper Card Bingo

- 1 A traditional games that improves your management skills.
- 2 Searching for the called number offers a thrilling experience.
- 3 Using daubers and tapes adds up to the fun element.

TIP

Grab a seat close to the caller.

Electronic Bingo

- 1 Players can easily play with multiple bingo cards.
- 2 The hand-held devices or computer screens are easy to handle.
- 3 Increases the probability of winning.

TIP

Buy as many cards as possible.
